8 If you are a UK taxpayer, under the Government's Gift Aid scheme Keratec can reclaim the tax you have already paid on your gift. This means that your donation can increase in value by nearly a third at no extra cost to you. Please tick the box below if you would like Keratec to reclaim the tax on your gift.

Please treat this and any future donations I make to Keratec and all payments I have made to Keratec from 6th April 2000 as Gift Aid donations.
 * It doesn't matter what rate of tax you pay as long as you pay an amount of income or capital gains tax equal to the tax we reclaim on your donations in that financial year. Please remember to inform us of any changes in your tax status.
